

# Chemistry for the Future of Europe Energy, Food, Environment

conference organised on the occasion of the Italian Presidency of the Council of the EU  
Rome - La Sapienza University, Piazzale Aldo Moro  
25 - 26 November 2014

**Tuesday, 25 November** chaired by David Cole-Hamilton and Raffaele Riccio

- 9:30-10:30 Opening speeches - David Cole-Hamilton, EuCheMS President, Raffaele Riccio, SCI President; Armando Zingales, CNC President
- 10:30-11:15 EuCheMS Lecture on Energy - Nicola Armaroli, Istituto ISOF/CNR, Bologna, Italy
- 11:15-11:30 Coffee break
- 11:30-12:15 EuCheMS Lecture on Environment - Alexander J.B. Zehnder, Alberta Water Research Institute, Edmonton, Canada
- 12:15-13:00 EuCheMS Lecture on Food - Irena Vovk, National Institute of Chemistry, Ljubljana, Slovenia
- 13:00-14:30 Lunch
- 14:30-15:30 Roundtable on the morning sessions
- 15:30-18:30 Contribution by SCI experts to the conference topics:  
Gabriele Centi, Università degli Studi di Messina  
Gianluca Farinola, Università degli Studi di Bari "Aldo Moro"  
Fabrizio Passarini, Università degli Studi di Bologna  
Elisabetta Collini, Università degli Studi di Padova

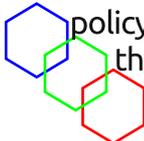

**Wednesday, 26 November** chaired by Sergio Facchetti

- 9:30-11:15 International Labelling of Foods I - Daniela Maurizi, Gruppo Maurizi
- 11:15-11:30 Coffee break
- 11:30-12:30 International Labelling of Foods II and discussion - Afro Ambanelli, food law expert
- 12:30-14:00 Lunch
- 14:00-17:30 Lecture on Metrology in Chemistry - Paul De Bièvre
- 17:30-18:00 Conclusions and discussion on future joint activities

**Thursday, 27 November** chaired by Raffaele Riccio

- 11:00 Meeting in the Italian Senate - Debriefing of previous days presentations and suggestions for future developments under Horizon 2020 programme and presentation of chemical risk in waste management.

The official language of the conference will be English. This conference will be preceded by a press conference in Italian and English on Monday 24 November, 14:30 at the City Hall of Rome, Sala Consiliare, chaired by Chairman Fabrizio Martinelli, President of Chemist Association of Rome.

This conference is for:  
 policy makers and the general public  
the research, scientific and academic community  
experts on metrology in chemistry and related issues
