

Scuola Politecnica e  
delle Scienze di Base

Università degli Studi di Napoli Federico II

neaPòliS

## ***First National School on Chemical Sensors***

*Interdivisional Group of Sensors  
Italian Chemical Society (SCI)*

**Napoli May 24-26, 2017**

Department of Chemical Sciences  
Complesso Universitario Monte S. Angelo

The school is mainly directed to Ph.D. students, postdocs and young researchers from Universities, public research institutions and private laboratories.

It aims at discussing the major methodological innovations and the latest instrumental techniques, in the development and application of sensors and biosensors. The school offers to the participants the necessary tools to understand the main methodological applications and the use of the recent instrumentation.

### **Scientific Committee**

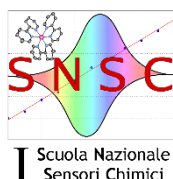

Giovanna Marrazza – University of Firenze  
Angela Lombardi - University of Napoli “Federico II”  
Dario Compagnone - University of Teramo  
Antonella Curulli - CNR - ISMN  
Luigi Falciola - University of Milano  
Aldo Laganà - University of Roma “La Sapienza”  
Cosimino Malitesta - University of Salento

### **Organizing Committee**

Angela Lombardi - University of Napoli  
Luigi Falciola - University of Milano  
Ornella Maglio - CNR - IBB  
Flavia Nastri - University of Napoli  
Marco Chino - University of Napoli

### **Organizing Secretariat**
