

Synthesis and biomedical applications of tumor -targeting peptidomimetics

Dear colleagues and friends ...

The organizing committee is pleased to announce the meeting

"Synthesis and biomedical applications of tumor-targeting peptidomimetics"

February 14 (Sunday) - 16 (Tuesday) 2016, Bologna, Italy

Within the meeting, we are pleased to invite you to attend the workshop:

"Diagnostic and therapeutic applications of integrin-targeted peptidomimetic ligands and conjugates"

February 16 (Tuesday)

All the scientific sessions will take place at the Department of Chemistry "G. Ciamician", via Selmi 2, 40126 Bologna.

We would be extremely happy to have your participation and contribution!

... looking forward to seeing you in Bologna ...
