

# I giovani e la Chimica in Friuli Venezia Giulia

Il giorno 9 novembre 2018 nelle ore 9.00 - 16.00 nell'aula Auditorium dell'Università di Udine in via del Cotonificio 108, si terrà il convegno dal titolo: 'I giovani e la Chimica in Friuli Venezia Giulia'

Il convegno scientifico è organizzato dalla sezione Friuli Venezia Giulia della Società Chimica Italiana con la collaborazione delle due Università Regionali di Trieste e Udine. Interverranno giovani non-strutturati che presenteranno i risultati del proprio lavoro di ricerca più recente. Lo scopo principale è di promuovere la conoscenza e l'integrazione dei gruppi di ricerca universitari regionali. Nel programma è inserita la conferenza plenaria del Prof. Marco Bandini (Università di Bologna, <https://site.unibo.it/laboratorio-sintesi-e-catalisi-asimmetrica/en> [1]) focalizzata sulla funzionalizzazione di composti arenici. Al termine dei lavori seguirà l'assemblea annuale della sezione Friuli Venezia Giulia della SCI.

Tutti i possibili interessati sono invitati a partecipare.

Un cordiale saluto.

Prof. Zuccaccia Daniele  
Presidente SCI-sezione FVG  
DI4A-Università di Udine  
Via Cotonificio 108  
33100 - Udine
