ABOUT THE SCHOOL

The SPEC 2024 Summer School is proposed as a joint activity of the Divisions of Physical Chemistry and Electrochemistry of the Società Chimica Italiana. Its purpose is to promote scientific culture on specific topics in physical chemistry and electrochemistry. SPEC 2024 Summer School is **tailored for PhD students, post-docs, and young researchers**.

It will feature **well-known international speakers in the fields of spectroscopy and electrochemistry**. Some of the **key topics** that will be explored during the event include:

- Optical and vibrational spectroelectrochemistry
- Electrochemiluminescence: principles and applications
- Electrochemical-Synchrotron Techniques
- Electrochemical Scanning Probe Microscopies
- in-situ and ambient pressure XPS
- *In-situ & operando* nuclear magnetic resonance

Additionally, courses on soft skills will be incorporated and a final evaluation test.

ORGANIZING COMMITTEE

Prof. Christian Durante, Chair (Univ. of Padua)
Dr. Lucio Litti, Co-chair (Univ. of Padua)
Prof. Sara Bonacchi, Co-chair (Univ. of Padua)
Dr. Annalisa Polo (Univ. of Milan)
Prof. Lorenzo Franco (Univ. of Padua)
Dr. Roberto Pilot (INSTM Cons. and Univ. of Padua)
Prof. Federico Polo (Univ. of Venice)
Dr. Alessandra Zanut (Univ. of Padua)
Prof. Alfonso Zoleo (Univ. of Padua)
Dr. Matteo Bonomo (Univ. of Turin)

SCIENTIFIC COMMITTEE

Prof. Moreno Meneghetti (Univ. of Padua)
Prof. Monica Santamaria (Univ. of Palermo)
Prof. Sergio Brutti (Univ. of Rome La Sapienza)
Prof. Sabrina Antonello (Univ. of Padua)
Prof. Maria Luisa Saladino (Univ. of Palermo)
Prof. Giovanni Valenti (Univ. of Bologna)
Prof. Francesca Ridi (Univ. of Florence)
Prof. Riccardo Ruffo (Univ. of Milano Bicocca)

INVITED SPEAKERS

Prof. Giulio Cerullo, Milan Politecnico (IT).
Prof. Elisabetta Collini, University of Padua, (IT).
Prof. Emiliano Cortés, University of Munich, (DE).
Prof. Frantisek Hartl, University of Reading, (UK).
Prof. Aliaksandr S. Bandarenka, TUM, (DE).
Prof. Neso Sojic, University of Bordeaux, (FR).
Prof. Luca Prodi, University of Bologna, (IT).
Dr. Andrea Zitolo, Synchrotron SOLEIL, (FR).
Dr. Frederich Kanoufi, Université Paris Cité, ITODYS, CNRS, (FR).
Prof. Laura Calvillo Lamana, University of Padua, (IT).
Prof. Piercarlo Mustarelli, University of Milano-Bicocca, (IT).

IMPORTANT DATES

Early-bird registration: 31 / 03 / 2024
Regular registration: 31 / 05 / 2024
Conference dates: 15-20 / 09 / 2024

All-inclusive FEES

Early-bird registration:
SCI/EuChems/ISE member 700 €
NON- SCI/EuChems/ISE member 760 €

Regular registration:
SCI/EuChems/ISE member 800 €
NON- SCI/EuChems/ISE member 860 €

For details on what is included please see:
www.chimica.unipd.it/spec_school.

HOW TO REGISTER

For **registering** to the school, please follow the instructions reported at:

www.chimica.unipd.it/spec_school

Attendees will have the chance to present a **poster** or to give a **flash oral presentation**.
