

The University of Siena is pleased to announce the **Eleventh Edition** of its cutting edge

European Workshop in Drug Design

A unique opportunity to learn and share knowledge about computational techniques in an exciting and collaborative environment.

Confirmed Speakers

Ruben Abagyan	Gerhard Hecker	Dennis Liotta	Kenneth Merz
Andrea Cavalli	Dusanka Janezic	Thierry Langer	Stefano Moro
Zoe Cournia	Joanna Jansen	Thierry Lavé	Hanoch Senderowitz
Gabriele Cruciani	William Jorgensen	Klaus Liedl	Rebecca Wade
Roderick Guigò	Hugo Kubinyi	Elena Lo Piparo	

Topics

Latest advancements in MD simulations

Big Data management

Novel Tools in Bioinformatics

Online Tools

In Silico PK/PD

... and much more!

Three Special Sessions

- ➔ Young Researchers Session
- ➔ Remembering Prof. James Snyder and Prof. Anna Tramontano
- ➔ Mu.Ta.Lig COST Action CA15135

Hands-on Case Studies

SCHRÖDINGER.
